## **Invitation to the 11th World Tether Car Championships**

**Sydney, Australia**

**Tuesday 26 – Sunday 31 October 2010**

The Sydney Society of Model Engineers Inc (SSME) together with the Tethered Race Car Association of Australia (TRCAA) and Queensland Miniature Race Car Association Inc (QMRCC) is pleased to invite you to the 2010 World Championships for tether cars in Sydney, Australia.

### **Venue**

The **Sydney Society of Model Engineers'** tether car track is located 50 kilometres west of Sydney city at 869 Luddenham Road, Luddenham NSW 2745 (UBD Map reference 224 C11 or Google Earth 33°51'52.36 South 150°43'10.38 East)

### **Registration**

WMCR classes I (1.5 cc), II (2.5 cc), III (3.5 cc), IV (5 cc) and V (10 cc) will be run during the event and entry forms will be e-mailed and posted on [www.speedmodelcar.com](http://www.speedmodelcar.com) in early 2010.

Any queries regarding the event can be sent by post or e-mail to the race organiser...

Telephone: +61 407 061 927

### **Transport and Accommodation**

A discounted, group booking will be made at a local hotel to simplify daily transport and to allow participants to share some off-track time together.

The SSME will also arrange for transport of competitors and their partners between the airport, accommodation and the track.

Details will be advised with the entry forms.

### **Trophies**

First, second, third, fourth and fifth place winners in each class will be awarded World Championship trophies. All participants will receive a commemorative medal of the event.

### **Alternative Entertainment Program**

An alternative program will be available for partners not wishing to remain at the track for the full six days of racing. This may include a river cruise, a shopping trip and a visit to an Australian wildlife park.

---
