Ms. Natalia Bach: (nat_furso@hotmail.com).

Food and Drinks

At the time of the official training and races competition venues will be organized on-site dining. For our guests will be provided by lunches, refreshments and snacks.

Race starting order

The starting order for the first heats will be set in the official starting list. The starting order for the first 3 is according to the current Champion of the 63rd Europe Championships. Other participants follow in ranking order after the current Europe fastest list (www.speedmodelcar.com) until 18th June 2015. Participants with not ranked, starting positions will be drawn by the Organizers on positions after 20th. Second heats will start in the same running order but down to top. Third and final heat will be in order of achieved results and with the slowest first and defending champ last. Participants with multiple cars in any one class shall have their second car run at the end of the first car's group.

Awarding for the European Championship

First, second and third place winners in each class will be awarded by European Championship medals. First five positions in each class will receive a Championship trophy. The first three teams will be awarded with trophies and Europacup will also be bestowed to the best Europe team.

Technical Rules

All cars will be controlled by the "FEMA Technisches Reglement".

All safety rules well based on the "FEMA Technisches Reglement".

Practice

Practice will be possible from 28th to 30th July 2015 from 9:00 to 18:00 hour.

All class will be run in order of capacity.
