INVITATION // LATE-PFINGSTEN 2021

15 September 2021

Dear Friends,

Delightfully we are inviting you to join us in Kapfenhardt on October 2nd and 3rd 2021 for the postponed "Pfingsten" race. The schedule is planned as follows:

Saturday 2nd October

10:00 CEST Training (open pitlane)
12:30 CEST Race Briefing
13:00 CEST 1st heat

Sunday 3rd October

10.00 CEST 2nd heat
12.00 CEST Lunch break
13.00 CEST 2nd heat (continued)

Subject to the number of participants, we will run an additional 3rd heat, i.e. first half of 2nd heat will already take place on Saturday afternoon. We will communicate the final schedule during the race briefing on Saturday.

Due to prevailing COVID-19 pandemic-related documentation requirements participants and any accompanying persons must register until September 25th. Registration via email to info@rg-schwarzwald.de shall include name, address and phone number as well as current vaccination status.

Please note, that a hygiene and safety concept will be enforced. In particular, medical face masks must be worn indoors at all time and social distancing rules will apply. On arrival we will ask you to provide a digital/paper vaccination certificate, a test certificate, or a certificate of recovery. Failure to comply with the hygiene and safety concept may result in disqualification from the race and dismissal from the event location.

All of the above is subject to further changes based on local requirements including the possibility of full cancelation of the event. We trust we can progress as planned and look forward to seeing you back at the racetrack – stay healthy!

Sincerely,
Renngemeinschaft Schwarzwald e.V.
